Versatile Electric Scissor Lifts You Can Take Almost Anywhere!

Double the duty cycles of competitive electric scissor lifts.

More productivity from an electric scissor lift is the best reason to check out JLG's NEW Large Electric Series of scissor lifts—the 3369LE and the 4069LE models.

The LE Series offers an array of features unmatched by other electric powered scissor lifts.

With standard all-terrain tires, full-time ATC-JLG Automatic Traction Control system, and

standard oscillating axle, JLG provides superior off-slab performance in an electric scissor lift.

Equip your model with the JLG QuikCharge GenSet option and you will have uninterrupted machine operation to complete the job. The optional All-Wheel Drive feature will conquer job site conditions unheard of for electric scissor lifts.

Order an LE Series Scissor Lift today... and see the JLG difference!

More Models, More Choices and More Versatility with JLG... WHY GO ANYWHERE ELSE?

JLG's **QuikCharge GenSet** option provides automatic charging for continuous machine operation.

ATC (Automatic Traction Control) adds to the versatility by sensing and providing full-time positive traction on uneven surfaces.

Oscillating axle enhances operator comfort and ability to traverse uneven surfaces.

Optional **All-Wheel Drive** automatic or on-demand, provides superior performance in off-slab conditions.

Optional **Leveling Jacks** increase machine utility.

5'9" width, **zero emissions** and **quiet** operation combined with new generation features makes the LE Series the best **indoor/outdoor** scissor lift for any job site.

JLG

Generation E by JLG...See and Feel the Difference!

The new generation of electric powered scissor lifts from JLG offers machines with platform heights of 33 ft and 40 ft.

JLG's 31 years of design and manufacturing experience is evident in the new generation of machines with more features designed to increase productivity, decrease

owning and operating costs, and provide more "up-time" for the job.

Options such as onboard **QuikCharge GenSet**, **All-Wheel Drive**, and **Leveling Jacks** set this new generation of electric scissor lifts above the rest.
